

# Lipopen Ultra Base

Transdermal cream base

## Lipopen Ultra Base

Lipopen Ultra Base is a highly elegant transdermal vehicle specially formulated to maintain stability in the presence of high API percentages, solvents, salts and across a wide pH range. Lipopen Ultra has a smooth, luxurious feel and quickly absorbs leaving the skin smooth and non-greasy.

### Benefits of Lipopen Ultra Base

- Elegant and creamy texture
- pH and salt stable
- Quick and easy to formulate

## Fagron North America's Compounding Essentials Division

Providing pharmacists in the United States with high quality compounding products and solutions.

Fagron North America's Compounding Essentials Division (Fagron, Inc., B&B Pharmaceuticals, Inc. and Fagron Academy) have over 60 years of combined experience in serving the compounding industry. We specialize in offering over 65 unique compounding bases and vehicles. Additionally, we offer over 800 active pharmaceutical ingredients, equipment, supplies and first rate contemporary compounding education and technical support for compounding pharmacies. Fagron's dedication to quality is achieved through our extensive vendor validation program and commitment to only sourcing from FDA validated suppliers.
