

SyrSpend[®] SF Suspending Vehicle

Technical Data Sheet – SyrSpend[®] SF Suspending Vehicle

805360 - Unflavored	51552-1079-05	500 ML
802497 - Unflavored	51552-1079-09	4 L
805359 - Cherry	51552-1123-05	500 ML
802496 - Cherry	51552-1123-09	4 L
805358 - Grape	51552-1167-05	500 ML
802498 - Grape	51552-1167-09	4 L

DESCRIPTION	<p>SyrSpend[®] SF suspending vehicle is a sugar-free and alcohol-free suspending vehicle that uses Active Suspending Technology™ to stabilize suspensions at rest and actively prevent “caking” of insoluble ingredients at the bottom of the bottle. It holds particles in suspension longer to offer more accurate dosing.</p> <p>SyrSpend[®] SF suspending vehicle has low osmolality (< 50 mOsmol), making it less likely to cause GI upset and diarrhea. It is ideal for use in pediatric and geriatric patients. It contains natural preservatives and is dye-free. It does not foam when shaken and has been shown to withstand wide pH variations, freezing/thawing, the addition of electrolytes, amphiphiles, co-solvents, surfactants, and more.</p> <p>It is available as an unflavored (which is sweetened) version or in pre-flavored cherry and grape versions.</p>
--------------------	---

CATEGORY	A sweetened, suspending vehicle for use in compounded oral liquid preparations.
-----------------	---
